CAREER OBJECTIVE :

Motivated and skilled Frontend Developer with a strong background in designing and implementing responsive, scalable applications. Proficient in JavaScript, React JS with a proven ability to deliver high-quality software solutions. Seeking to apply my technical expertise and passion for software development to contribute to a dynamic team environment.

PROFILE SUMMARY:

- **Experience:** 3+ years as a Frontend Developer in the IT industry.
- **Expertise:** Proficient in the Software Development Life Cycle (SDLC), from requirements gathering to deployment.
- **Technical Skills:** Skilled in JavaScript, React JS, HTML, CSS
- **Team Collaboration:** Strong interpersonal skills and experience working in cross-functional teams.
- **Focus Areas:** Scalable solutions, responsive design, and performance optimization.

KEY SKILLS:

- **Programming Languages:** JavaScript
- **Frameworks/Libraries:** React JS, Free Marker, jQuery
- **Web Technologies:** HTML, CSS, XML, JSON
- **Tools:** Git, Eclipse, VS Code, MRemoteNG, FileZilla
- **Databases:** MySQL, Oracle
- **Other Skills:** Shell Scripting

EXPERIENCE:

React JS Developer

ITalent Applications Pvt. Ltd.   Hyderabad (April 2022 – Present)

- Developed and maintained web applications using JavaScript, React JS.
- Collaborated with UI/UX designers to create responsive, user-friendly interfaces.
- Ensured data security through robust implementation of security protocols.
- Deployed applications on AWS and Azure cloud platforms.
- Conducted code reviews and optimized application performance for scalability.

PROJECTS

Cisco TechZone Project
April 2022 – Present

Project Description:
Managed and enhanced the Cisco TechZone platform, which enables internal Cisco employees to write, post, and publish articles about Cisco products. Collaborated with cross-functional teams to ensure smooth content management and publication processes.

Responsibilities:
- Developed frontend features using React JS, Free Marker, JavaScript, and jQuery.
- Implemented content management functionality for drafting, reviewing, and publishing articles.
- Integrated authentication and authorization for controlled access to publishing features.
- Designed responsive user interfaces to enhance user experience.
- Performed platform performance optimizations and regular maintenance.
- Supported enhancements and updates based on user feedback and analytics.

SAP Public Community

Project Description:
A public-facing platform by SAP that allows users to create documents, post questions, share ideas, and access product-related content.

Responsibilities:
- Developed dynamic and responsive UI using modern frontend technologies.
- Implemented question-and-answer flow logic to ensure smooth community interactions.
- Contributed to accessibility improvements and adaptive design for better user experience across devices.

Security Publish (Migration Project)

Project Description:
Migration of a legacy platform (originally built in JSP) to a modern React + TypeScript stack. This module handles publishing and managing Japanese article translations under the TechZone umbrella.

Responsibilities:
- Led complete frontend migration to React and TypeScript.
- Implemented language toggle functionality to support multi-language content.
- Optimized UI performance and ensured consistent user experience post-migration.

Label Manager (Sub-project of TechZone)

Project Description:
A dedicated module within TechZone for managing community labels, allowing creation and updates of labels as per evolving requirements.

Responsibilities:
- Independently managed the entire module from design to implementation.
- Developed the UI for label creation and management using React.
- Ensured seamless integration of the label manager with the core TechZone platform.

Academic Details:
- Vaagdevi Engineering College, Warangal — B.Tech(EEE) 2014-2018
- Ekashila Junior College, Hanmakonda — Intermediate(MPC) 2012-2014
- Sri Saraswathi Shishu Mandir, Elukurthy — SSC 2012

Hobbies

Playing Chess - helps improve focus, patience, and strategy skills
